

European Turtle Alliance Conference

in association with Tortoise Welfare UK and European Studbook Foundation

A rich variety of talks on conservation, husbandry, research projects and veterinary practice.

Aimed at chelonian welfare and conservation workers and enthusiasts, including vets, veterinary nurses, zookeepers, trade workers, students and private keepers.

Optional laboratory workshop on Sunday.

There will be time to browse displays and speak to fellow attendees during breaks – and at our popular evening social meal.

Full conference notes will be made available, plus an attendee pack with a variety of sponsor goodies, care sheets and other resources.

Saturday May 18th, 9:30am to 5:00pm (7.5 CPD hours)
